REMARKS

Applicant has amended claims 1, 15, 20 and 22 to recite that the worksheet is displayed to the customer prior to his ordering products. This feature is not disclosed in Kenney where it appears the list 42 is automatically generated by the system only after the shopper clicks on the products displayed on the virtual aisle. There is no disclosure in the reference that the list 42 is initially presented to the purchaser as a blank list.

In view of the above, it is asserted that claims 1-22 are patentable over the cited reference and are asserted to be are in condition for allowance. Reconsideration of the rejection is respectfully requested and an early and favorable action is earnestly solicited.

Applicants hereby request an extension of time for one(1) month through February 29, 2004, in order to timely file this amendment. A check in the amount of \$55.00 is attached herewith for the extension fee.

Please charge Deposit Account No. 19-2105 for any additional fees required to be paid in connection with this submission.

Respectfully submitted,
